

Maxim Power Corp. ("MAXIM") is an independent power producer which acquires or develops, owns and operates innovative and environmentally responsible power projects. MAXIM currently owns and operates 45 power plants in western Canada, the United States and France, having 815 MW of electric and 106 MW of thermal net generating capacity. MAXIM trades on the TSX under the symbol "MXG".

MAXIM presently has an opportunity for a:

**SENIOR FINANCIAL ANALYST  
CALGARY, ALBERTA**

Reporting to the Controller, the Senior Financial Analyst is primarily responsible for the management reporting and short-term planning activities of the MAXIM group of companies. The incumbent is accountable for the preparation and analysis of the budget, review of MAXIM's monthly performance report, corporate forecasting projects, preparation of various disclosure items including the quarterly Management Discussion and Analysis, preparing key performance indicators for review by the Executive team, in addition to ad hoc projects as requested by the CFO, Director of Treasury and Controller.

The Senior Financial Analyst is also responsible for the supervision and coaching of the Management Reporting Analyst.

The ideal candidate would possess an accounting designation with at least 2-3 years of post-qualification experience with management reporting, financial reporting and public accounting experience. The candidate should have strong written and oral communication skills, attention to detail, solid understanding of IFRS and intermediate to advanced knowledge of Microsoft Excel. An understanding of the power industry would be an asset.

MAXIM offers a competitive salary and benefits package (including a bonus program and stock options). Relocation incentives will be provided.

Please apply in confidence to the Office Administrator by sending your resume outlining your qualifications as they relate to this position by January 27, 2012 to:

**Maxim Power Corp.
